

REMARKS/ARGUMENTS

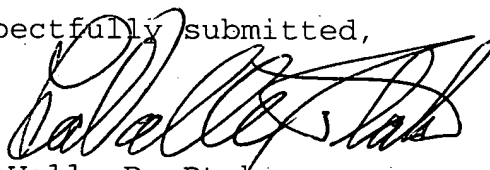

Claims 9,10,16,30 and 32 to 34 now appear in this application. The total number of claims remaining in the application is less than the number originally filed. The number of independent claims remains at three; so that no additional payments are required.

Allowed Claim 12 has been rewritten in independent form as new Claim 32. Allowed Claim 15 has been rewritten as new independent Claim 33; and allowed Claim 29 has been rewritten in independent form as new Claim 34. Claims 9 and 10 have been amended to be dependent through one another on new Claim 33; and Claim 16 has been amended to be dependent upon new independent Claim 33. Allowed Claim 12 has been rewritten in independent form as new Claim 32. There are no claims which are dependent upon this new Claim 32. As noted above, allowed Claim 29 has been rewritten in independent form as new Claim 34; and Claim 30 has been amended to be dependent upon new Claim 34. As a result, all of Claims 32 to 34 and dependent Claims 9,10,16 and 30 are considered allowable, as indicated in the Final Office Action. All of the other claims have been cancelled subject to the filing of a continuation application contemporaneously with the filing of this response to the final rejection.

Applicant respectfully submits that in view of the above amendments, this application now is in condition for allowance.

1 Accordingly, allowance of all of the claims now appearing in this
2 application is respectfully requested; and a formal Notice of
3 Allowance of the application is respectfully solicited.

4 Respectfully submitted,
